

# 25 West Main Handbook

## Receiving Area

The loading dock / receiving area for 25 W Main is located at the rear of the building with access from Doty Street (just past Carroll Street). This receiving area will accommodate medium-sized and smaller trucks.

There is a lift on the west side of the dock that has a 6,000 lb capacity and a 58" lift height.

The clearance for the overhead doors is 15'.
