

One East Main Handbook

Special Event Parking

A few times each year ULI will rent parking spaces to the general public for special events, such as the Art Fair on the Square and the Taste of Madison. Parking will be rented to the general public for special events only on weekends and holidays, not on weekdays during normal business hours. During these times ULI will always try to reserve adequate parking spaces for monthly parkers with a valid parking access card. Your access card entitles you to parking privileges 24 hours a day, 365 days a year.

Special event parkers (the general public) will not have access to the buildings and must use the stairs provided that lead to Doty Street and to the intersection of Main and Pinckney Streets on the Capitol Square.
